South Australia**

## **Information sheet for graduate register**

### **Graduate Audit Analyst (Financial Audit) ASO2 roles**

Please see the conditions outlined below for this register for Graduate Audit Analyst (Financial Audit) ASO2 roles:

- Applications are for ongoing roles (with a probation period).
- Applications will be accepted at any time up to Monday 17 October 2022.
- Candidates will receive an automated acknowledgment email that their application has been accepted into the register.
- If a vacancy arises, shortlisted candidates will be notified and invited to take part in a selection process (applications will be checked by Human Resources to confirm they meet the eligibility requirements for the role before shortlisting).
- There is no guarantee a candidate will be shortlisted, or an offer of employment made by being in this register.
- Most of our graduate roles commence in January 2022 however if a business need arises, roles may start at another time.
- Candidates must have completed their degree or only have a small study gap to meet the degree qualifications at the time of commencing in the role.
- All candidates will be advised of the outcome of their application.
- If unsuccessful, candidates can reapply when the new advertisement opens the following year.
